

Kindergarten Readiness Summer Camp

GOAL: To provide extra assistance with school readiness skills, to prepare children for entering Kindergarten in the fall.

WHO WILL BENEFIT: Children who have difficulty grasping a pencil, using scissors, writing their name, or completing 2-3 step tasks. Children will be interacting with peers during fun games and activities focusing on turn taking, sharing, and handling conflicts that arise during play. Activities will include gross motor games, and art and craft activities that will be fun and educational.

**Lead by the Occupational Therapy Staff
at Results Physical and Occupational Therapy.**
